BRUSH POLICY

Due to regulations from the Health Department, the Village of Luckey must revise our brush policy.

Brush pickup will be on the first Monday of each month, unless that Monday falls on a holiday, brush will be picked up the following day (the first Tuesday).

Piles of brush are limited to a single stacked row no longer than 8 feet wide x 4 feet high, limbs are to be no longer than 6 feet long and no larger than 4 inches in diameter. Please have your brush pile at the edge of the road with the cut end of limbs facing the road. Please have any small twig's or clipping's in a dumpable container, we are no longer able to accept plastic bags (they do not decompose) clippings or twigs thrown on ground will not be removed, please place them in a container.

Plants, vines and grass will be accepted, but must be in a container separate from anything that is able to be chipped, the above items are not chipable and they must be composted.

Please have your brush at the road side by 7:30 AM on brush day; the village must separate chipable from compost items.

Do not put your brush or yard waste in or on the parks edge this in violation of Village Ordinance 93.25, if you do so you are subject to prosecution. Failure to abide by the Village's Brush Policy will result in not having your brush removed.

The Village of Luckey is not responsible to remove brush generated from a complete tree removal or clearing land.

Thank you for your cooperation.
