LEAF PICKUP

Leaf Pickup will begin around the middle of October. Residents are asked to rake leaves to edge of the street, piles of leaves should not exceed 4 feet in width (this is the maximum swing of the hose on our machine). Please do not rake leaves in the street this could cause our sewers to get blocked.

Do not mix yard waste (branches plants, limb's) in leaf pile our vacuum is not able to pick this material up, do not rake animal waste in leaf pile !

LEAVES ONLY

If there is anything other than leaves in your pile, **IT WILL NOT BE PICKED UP.**

Please do not put your leaves in the parks this in violation of Village Ordinance 93.25, if you do so you are subject to prosecution.

The last day of leaf pickup will be posted in the Municipal Building, Bank, and Post Office

Thank You for your cooperation
